CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: February 2019

Void After: February 2024

Product: Prefabricated Septic Tanks

File No. 3114

Issued To: Norwesco
4365 Steiner Street
P.o. Box 439
Saint Bonifacius, MN 55375-0439

Identification: Each tank shall be clearly and permanently marked with the manufacturer's name and/or registered trademark, model number, working liquid volume (expressed at least in gallons), date (i.e. month and year), date code, or identifier traceable to the date of manufacture, maximum design load, maximum burial depth for which the tank is designed, inlet and outlet. The markings shall be applied on permanently-affixed metal plates, etched, mechanically stamped, stamped with permanent (non-water-soluble) ink, or molded. Adhesive labels that comply with UL 969 shall also be considered permanent when placed on a surface that is not normally submerged in water. The product shall also bear the UPC® certification mark.

Characteristics: Prefabricated septic tanks made of concrete, fiber reinforced polyester (FRP), thermoplastic, or steel to be installed in accordance with the manufacturer's instructions and the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
